

**Proposition informelle de formulation neutre pour un article 15.2 dans la future directive révisée sur les marchés publics**

***Article 15.2***

***In accordance with Union law, contracting authorities shall ensure that tenderers and candidates comply with environmental, social and labour law provisions which apply at the place where the works are executed, services provided or goods produced or supplied as set out in international conventions listed in Annex XI and national law, as well as in collective agreements.***
